

Kent Surrey and Sussex Learning Disability Community of Practice- Open call for guest bloggers

Share your news and events

Here at KSSLDCoP we try to share with the community events and news that might be of interest to inform and shape practice and also to give you the opportunity to contribute to consultations and shape policy. Please do send any news you want to share via the blog or Twitter to [Lisa Richardson](#) or tweet us @kssldcop

Guest blogs

We would love to hear and share with the community your views and experiences via the CoP's guest blog spot. We want to hear about challenges faced and how you overcame them, any creative practices, resources or service designs you have (co)produced. Perhaps you have attended a KSSLDCoP meeting or event and want to share your experience with others in the community. You might have other ideas of what would make an interesting blog.

If you want help to discuss an idea or think about how to start writing a blog or if you want to find someone to write with then we can help with that too, that's what the community of practice is all about.
