

Improving Hearing Services for People with Learning Disabilities

Do you have a **Learning Disability**?

Have you used **Hearing Services (Audiology)**? Or tried to use Hearing Services?

Could you tell us about what it was like to use Hearing Services?

If you answered **YES**, we want to invite you to a **Focus Group** or an **Interview**.

There would be 6 people with a learning disability in the focus groups.

Family members or carers can also come.

Groups and interviews will take 1 hour.

We will ask you about what it was like to use Hearing Services and how it could be better.

Please contact us if you are interested in the study or if you have any questions.
