

Tell us how we can help people with learning disabilities get involved in clinical research!

We want to find out what we can do to help people with learning disabilities or neuro-divergent needs feel more confident to get involved in clinical research.

We are holding two focus groups on the **1st and 8th of December** for people with learning disabilities and their carers. The workshop will last for **1 hour** and will be held online. You will be paid **£12.35** for your time.

If you would like to attend one of these groups, please email arti.makwana@nhs.net

Brilliant care through brilliant people
